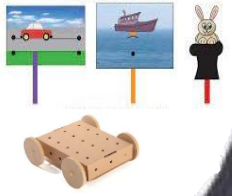
Lower Key Stage 2 Design Technology - How will your models mouth move?

Key Vocabulary-

(mechanical) mechanism, , pneumatic systems, movement force, compress, input, output, syringe, tube, pump, transfer, temporary/ permanent fixings methods, assemble,

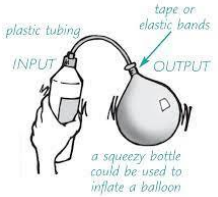
Entry Point-

Can I name some mechanisms?

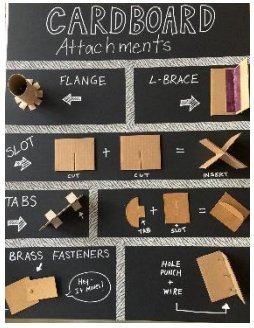


Lesson 1-
Can I explore pneumatic components?

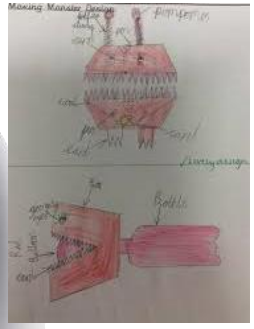
Lesson 2-
Can I make something move using pneumatics?



Lesson 3-
Can I join using temporary and permanent fixings?



Lesson 4-
Can I design and plan a product using pneumatics?



Exit Point (Lesson 5)
Can I make and evaluate a product that moves using pneumatics?
