Eden Academy Trusts vision for the School Sports Premium 2025/26

Vision for the Primary PE and Sports Premium 2025/26

At Eden Academy Trust we strive to give **all** pupils an enriched and positive experience in **Physical Education** (PE) and **school sports**. **All** pupils leaving primary school will be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following OBJECTIVE:

- To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision *(above)* that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

- Under the Ofsted Schools Inspection Framework 2015, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this. Schools are required to publish details of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Academy Trust

Together for better

How we will spend against key Indicators

How these will be achieved at Eden Academy Trust Schools:

- At Eden Academy Trust, we will continue to invest in continues professional development (CPD): providing staff with professional development, mentoring, appropriate training and access to external resources to help them teach PE and sport (including swimming and water safety) more effectively and confidently to all pupils. All teachers will work alongside a PE specialist for 1 hour of PE each week and delivery the second hour of PE alone. Meaning all staff will be upskilled weekly.
- We see CPD for teachers as a key priority to ensure sustainability of the future quality of the teaching of PE, sport and physical activity. Mr Murray monitor and assess the effectiveness of the CPD being provided to ensure that it is of a high standard.
- We invest in equipment and resources to ensure our staff and pupils have the tools needed to deliver and take part in a bold, ambitious and FUN PE curriculum.

Eden Academy Trust

Together for better

How we will spend against key Indicators

How these will be achieved at Eden Academy Trust Schools:

- We will continue to embed physical activity into the school day through encouraging active travel to and from school and active using our Eden Academy Trust Active 30:30 programme encouraging break times.
- Providing targeted activities or support to involve and encourage the least active children to attend specialist PE clubs or lesson (Change 4 life clubs, SEMH/SEND curriculum PE, targeted extra-curricular sports clubs: PP, Girls, BAME enables us to get least active children involved in PE and school sports.
- Help to provide equal access for all pupils to the range of sports and physical activities that the school provides.

How we ensure the effective use of the Primary PE sport premium 2025/26

To help all Eden Academy Trust schools plan, monitor and report on the impact of their spending, the Association for PE and Youth Sport Trust have revised the planning and reporting template they produce for the use of schools. All Eden Academy Trust Schools will upload this document, with detailed spending from thought the school year of 2024/25.

All Eden Academy Trust Schools use the template to plan and record how they use the Primary PE and sport premium throughout the year in readiness to publish their online report at the end of the school year outlining the use of the Primary PE and sport premium

We use the Sports Premium document as a working document to plan the year and how schools will get the most out of their money.

Eden Academy Trust Allocated Amounts 2025/26

This is an estimated allocation based on 2025/26 funding figures and the number of eligible pupils. Once the DfE confirms the 2025/26 allocations for each school, these figures will be updated accordingly.

- Jesmond Gardens Primary School £18,640 (264 pupils from Y1-6)
- Stranton Primary School £18,740 (274 pupils from Y1-6)
- Eskdale Academy £17,500 (142 pupils from Y1-6)
- Bluebell Meadows Primary School £17,500 (150 pupils from Y1-6)
- Fishburn Primary School £16,950 (95 pupils from Y1-6)
